

### Main Topics:

- Nephrologists and cardiologists have a lot to learn from each other;
- Metabolic syndrome and cardioneurology;
- Uric acid and CV disease: new insights into an old association;
- New techniques in assessing CV risk in renal patients;
- Inflammation as a link between renal and cardiac disease;
- Stem cell therapy in cardiorenal disease;
- Atrial Fibrillation in CKD;
- Maintenance of target hemoglobin level in hemodialysis patient;
- Reducing renal damage to decrease CV events;
- Reduction in albuminuria decreases cardiorenal disease;
- Cardiac calcification of uremic patients: new treatment options;
- Hypertension in dialysis patients;
- Hypertension over 80: to treat or not to treat;
- New antihypertensive agents;
- Coronary bypass in dialysis patient: cost effectiveness ratio;
- Calcimimetics or Vit. D analogs for reducing CV events in ESRD: an unsolved dilemma;
- Cure palliative in cardiorenal patients;
- Bioethics in dialysis patients;
- CV prevention in chronic renal disease.

### Communications and posters presentation

#### Scientific Presidents:

M. TIMIO (Perugia - Italy)  
S. VENANZI (Foligno - Italy)  
V. WIZEMANN (Giessen - Germany)

#### Scientific Secretariat:

M. TIMIO M. D. - S. VENANZI M. D. - P. SARONIO M. D.  
C. VERDURA M. D. - F. TIMIO M. D. - G. BELLOMO M.D.  
Dept. Internal Medicine - Nephrology & Dialysis  
General Hospital - 06034 FOLIGNO (Pg) - ITALY  
Telephone: +39 0742 3397081 / 3397082  
Mobile: +39 368 414930 - Fax: +39 0742 3397081  
E-mail: timma@libero.it - mario.timio@libero.it

#### Organizing Secretariat:

MAVITUR - Via Frate Elia, 2 - 06081 ASSISI (Pg) - ITALY  
Telephone: +39 075 812377 / 813083  
Fax: +39 075 816351 - E-mail: info@mavitur.191.it

#### Meeting Venue:

AUDITORIUM DELLA «CITTADELLA»  
06081 ASSISI (Pg) - ITALY - Via Ancajani, 3 - Telephone: +39 075 813231
